We are excited to greet our future families and showcase the wonderful experiences that await their children. We are also preparing for one of our favorite annual traditions, Career Day! Last year's event was outstanding, and we look forward to an even more inspiring day of learning from the many professionals who generously share their time and talents with our students. We have just 38 school days remaining before testing begins on May 4. Each day counts, and we are committed to making every moment meaningful. Thank you for your continued support, involvement, and dedication to our school community. Together, we remain Rooted in Tradition as we guide our students toward success! <i>Mrs. Eianeyz Basulto, Principal</i>
